

## **INTERPRIS 1**

### **END-USER LICENSE AGREEMENT FOR QSR SOFTWARE IMPORTANT—READ CAREFULLY:**

This End-User License Agreement (“EULA”) is a legal agreement between you, the customer, and QSR International Pty Ltd (“QSR”) for the software described above and that accompanies this EULA (including associated media and related Internet-based services (“Internet Services”)) (“Software”). An amendment or addendum to this EULA may accompany the Software. YOU AGREE TO BE BOUND BY THE TERMS OF THIS EULA BY INSTALLING, COPYING, OR USING THE SOFTWARE. IF YOU DO NOT AGREE, DO NOT INSTALL, COPY, OR USE THE SOFTWARE. YOU MAY RETURN IT TO YOUR PLACE OF PURCHASE FOR A FULL REFUND, IF APPLICABLE.

#### **1. LICENSE**

##### **1.1 Installation and Use**

You may:

- a) install and use a copy of the Software on one personal computer or other device (“Device”); and
- b) install and use an additional copy of the Software on a second, portable Device for the exclusive use of the primary user of the first Device.

The rights to install an additional copy of the Software do not permit use of the Software on both the first and second Device at the same time.

The Software may include more than one version such as 32-bit and 64-bit. You may install and use only one version on a Device.

##### **1.2 Network Use**

As an alternative to Section 1.1(a) of this EULA, you may install a copy of the Software on a networked Device, such as a server computer, for the purpose of permitting one other Device to access and use that licensed copy of the Software over a private network. In those circumstances, you must not use and access the copy of the Software on the networked Device and you must obtain additional licenses for the Software for the purpose of permitting any additional Device to access and use the Software installed on the networked Device.

##### **1.3 Remote Access**

You may use remote access technologies to access and use your licensed copy of the Software, provided that only the primary user of the Device (upon which the Software is installed and which is hosting the remote access session) accesses and uses the Software with a remote access Device. These remote desktop rights do not permit you to access and use the Software on both the Device hosting the remote access session and the access Device at the same time.

##### **1.4 Remote Assistance**

You may permit any Device to access and use your licensed copy of the Software for the sole purpose of providing you with technical support and maintenance services in respect of the Software.

##### **1.5 Documentation**

The documentation that accompanies the Software is licensed for internal, non-commercial use only (“Documentation”). The Documentation may not be copied, modified or used in any way except as expressly authorized by this EULA.

##### **1.6 Sample Projects**

The Software (including the Internet Services) may include sample projects (“Sample Projects”). You may copy and modify these Sample Projects and distribute these Sample Projects along with your modifications to, and for use by, other licensees of the Software. Distribution of all Sample Projects by you to other licensees of the Software must be via

person-to-person communication.

You are not licensed to do any of the following:

- a) sell, resell, license, rent, lease, lend, or otherwise transfer for value any Sample Projects;
- b) distribute any Sample Projects as part of any product or service; or
- c) make available any Sample Projects (whether with or without your modifications) on any network computer or otherwise publish, broadcast or make publicly available any Sample Projects.

You must indemnify and keep indemnified QSR from and against any claims, actions, demands and lawsuits and all costs and expenses suffered or incurred by QSR in relation to such claims, action demands and lawsuits (including, without limitation, all attorneys' or legal fees on a full indemnity basis) arising from or in connection with any modifications made by you to the Sample Projects and their distribution.

## **2. LICENSE TERMS AND CONDITIONS**

### **2.1 Mandatory Activation**

THERE ARE TECHNOLOGICAL MEASURES IN THIS SOFTWARE THAT ARE DESIGNED TO PREVENT UNLICENSED USE OF THE SOFTWARE. You may not be able to exercise your rights to the Software under this EULA after a finite period of time unless you activate your copy of the Software in the manner described during its installation or launch. You may also need to reactivate the Software if you modify any Device upon which the Software is installed or any alteration is made to the Software or other software (such as operating systems). During activation, the Software will send information about the Software and the Device to QSR. This information includes the product ID and version of the Software, license key, Internet protocol address of the Device, and information derived from the Device hardware configuration. BY USING THE SOFTWARE, YOU CONSENT TO THE TRANSMISSION OF THIS INFORMATION. QSR will use these technological measures to confirm you have a legally licensed copy of the Software. UNLESS THE SOFTWARE IS ACTIVATED, YOU HAVE NO RIGHT TO USE THE SOFTWARE. This is to prevent its unlicensed use. YOU ARE NOT PERMITTED TO BYPASS OR CIRCUMVENT ACTIVATION. For more information about activation and what is sent during or after an activation request, see <http://www.qsrinternational.com/privacy-policy.aspx>.

### **2.2 Validation**

The Software will from time to time verify that the Software has been activated and is properly licensed. During a validation check, the Software will send information about the Software to QSR. This information includes the product ID and version of the Software, license key, Internet protocol address of the Device, and information derived from the Device hardware configuration. QSR does not use the information to identify or contact you. BY USING THE SOFTWARE YOU CONSENT TO THE TRANSMISSION OF THIS INFORMATION. If the Software is not properly licensed, the functionality of the software may be affected. For example, you may need to reactivate the Software, or receive reminders to obtain a properly licensed copy of the Software. For more information about validation and what is sent during or after a validation check, see <http://www.qsrinternational.com/privacy-policy.aspx>.

### **2.3 Internet Services**

You may not use any Internet Services associated with the Software in any manner that does, or may, damage, disable, overburden, or impair such Internet Services or interfere with any other person's use and enjoyment of them. You may not attempt to gain unauthorized access to any service, account, computer systems or networks associated with the Internet Services. QSR is not responsible for the contents of any third-party sites or services which comprise part of the Software (including the Internet Services), any links contained in such third-party sites or services, or any changes or updates to such third-party sites or services. QSR provides these links and access to third-party sites and services to you only as a convenience, and the inclusion of any link or access does not imply an endorsement by QSR of the third-party site or service.

## **2.4 Automatic Update**

Software may periodically check with QSR for updates to the Software. If found, these updates may be automatically downloaded and installed on your licensed device.

## **2.5 Reservation of Rights and Ownership**

QSR reserves all rights not expressly granted to you in this EULA. The Software is protected by Australian copyright and international copyright laws. QSR (or, where indicated, its suppliers) own all copyright and other intellectual property rights in and to the Software. The Software is licensed to you, not sold. Your license rights under this EULA are non-exclusive. This EULA does not grant you any rights to use any trademarks or service marks of QSR.

This Software may include portions subject to copyright of Lexalytics, Microsoft and Xceed Software.

The Software contains third party software which requires notices and/or additional terms and conditions. Such required third party software notices and/or additional terms and conditions are located in Section 4 and are incorporated by reference into this EULA. By accepting this EULA, you are also accepting the additional terms and conditions, if any, set forth therein.

## **2.6 Limitations on Reverse Engineering, Decompilation, and Disassembly**

You may not:

- a) alter, decompile, disassemble, merge, modify or adapt the Software in any way;
- b) copy, reproduce, translate, adapt, vary or modify the Software without the prior written consent of QSR, except as expressly authorized by this agreement or by law; or
- c) provide or otherwise make available the Software in any form to any person other than those permitted by this EULA, without the prior written consent of QSR.

## **2.7 No Rental/Commercial Hosting**

You may not rent, lease or lend, or make available through any commercial hosting or similar service or arrangement, the Software.

## **2.8 Consent to Use of Data**

You consent to QSR and its affiliates collecting and using technical information gathered as part of the support services provided to you, if any, related to the Software. QSR may use this information solely to improve its products or to provide customized services or technologies to you and will not disclose this information in a form that personally identifies you. For more information about usage of data, see <http://www.qsrinternational.com/privacy-policy.aspx>.

## **2.9 Additional Software and Services**

This EULA applies to all updates, supplements, add-on components, or Internet Services components, of the Software that QSR may provide to you or make available to you after the date you obtain your initial copy of the Software, unless they are accompanied by separate terms that are expressly stated to apply. QSR reserves the right to discontinue at any time the Internet Services.

Any video content made available through YouTube is provided to you on the basis of you agreeing to be bound by the YouTube Terms of Service, see <https://www.youtube.com/t/terms>.

## **2.10 Upgrades and Updates**

To use the Software as an upgrade of another product, you must first be licensed to use a product identified by QSR as eligible for the upgrade to the Software.

If you are not using a licensed copy of the Software, you are not permitted to download, install or use any upgrades or updates to the Software.

## **2.11 Separation of Components**

The Software is licensed as a single product. Its component parts may not be separated for use on more than one Device.

## **3. GENERAL CONDITIONS**

### **3.1 Assignment**

If you acquired the Software for your own personal use, this EULA may be assigned on the condition that you transfer the original media and all documentation and all media associated with them and the transferee notifies QSR in writing that it agrees to the terms of this software license. In the absence of such notification from the transferee, you will remain responsible for the acts of the transferee. If you acquired the software for any other use (including, without limitation, for any commercial or non-commercial use), you may not deal in any way with the benefit of this EULA (whether by assignment, transfer, sub-licensing or otherwise) without QSR's prior written consent. Upon any assignment or transfer of the EULA, you must deactivate the Software from any Device upon which it is installed.

### **3.2 Termination**

The Agreement shall terminate on the expiration of the Licence Period unless terminated earlier in accordance with this EULA.

Without prejudice to any other rights under this EULA or at law, QSR may terminate this EULA if you fail to comply with any terms and conditions of this EULA. In such event, you must completely and irretrievably remove all copies of the Software from any Device upon which it is installed.

### **3.3 Limited Warranty**

YOU ACKNOWLEDGE THAT THE SOFTWARE CANNOT BE GUARANTEED ERROR-FREE AND FURTHER ACKNOWLEDGE THAT THE EXISTENCE OF ANY SUCH ERROR SHALL NOT CONSTITUTE A BREACH OF THIS EULA. YOU ACKNOWLEDGE THAT YOU HAVE EXERCISED INDEPENDENT JUDGMENT IN ACQUIRING THE SOFTWARE AND HAVE NOT RELIED ON ANY REPRESENTATION MADE BY QSR WHICH HAS NOT BEEN STATED EXPRESSLY IN THIS EULA OR RELIED ON ANY DESCRIPTIONS OR ILLUSTRATIONS OR SPECIFICATIONS CONTAINED IN ANY DOCUMENT INCLUDING CATALOGUES OR PUBLICITY MATERIAL PRODUCED BY QSR.

### **3.4 Disclaimers and Limitation of Liability**

EXCEPT TO THE EXTENT THAT LIABILITY ARISES PURSUANT TO A NON-EXCLUDABLE STATUTORY PROVISION, QSR ACCEPTS NO LIABILITY FOR LOSS OR DAMAGE (INCLUDING ANY LOSS OF PROFITS OR INDIRECT, CONSEQUENTIAL, INCIDENTAL, SPECIAL, EXEMPLARY OR PUNITIVE LOSS OR DAMAGE) WHICH MAY BE SUFFERED OR INCURRED OR WHICH MAY ARISE DIRECTLY OR INDIRECTLY IN RESPECT OF THE USE OF THE SOFTWARE OR IN RESPECT OF THE FAILURE OR OMISSION OF QSR TO COMPLY WITH ITS OBLIGATIONS UNDER THIS EULA. QSR DISCLAIMS ALL CONDITIONS OR WARRANTIES RELATING TO THE SOFTWARE, WHETHER EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. WHERE LEGISLATION IMPLIES IN THIS EULA ANY CONDITION OR WARRANTY, AND THAT LEGISLATION AVOIDS OR PROHIBITS PROVISIONS IN A CONTRACT EXCLUDING OR MODIFYING THE APPLICATION OF OR EXERCISE OF OR LIABILITY UNDER SUCH CONDITION OR WARRANTY, THE CONDITION OR WARRANTY SHALL BE DEEMED TO BE INCLUDED IN THIS EULA. HOWEVER, TO THE MAXIMUM EXTENT PERMITTED BY LAW, THE LIABILITY OF QSR FOR ANY BREACH OF SUCH CONDITION OR WARRANTY SHALL BE LIMITED, IN THE CASE OF GOODS, TO THE REPAIR OR REPLACEMENT OF THOSE GOODS OR PAYMENT OF THE COST OF THEIR REPAIR OR REPLACEMENT, OR, IN THE CASE OF SERVICES, THE RE-SUPPLY OF THOSE SERVICES OR THE PAYMENT OF THE COST OF THEIR RE-SUPPLY. IN NO EVENT SHALL QSR'S LIABILITY FOR ANY LOSS OR DAMAGE HOWSOEVER CAUSED (INCLUDING BUT NOT LIMITED TO BY WAY OF NEGLIGENCE) IN CONNECTION WITH USE OF THE SOFTWARE OR IN RESPECT OF THE FAILURE OR OMISSION OF QSR TO COMPLY WITH ITS OBLIGATIONS UNDER THIS EULA EXCEED THE AMOUNT OF THE LICENSE FEE PAID BY YOU TO USE THE SOFTWARE.

### **3.5 Jurisdiction**

This EULA is governed by, and you submit to the non-exclusive jurisdiction of the courts of, the State of Victoria, Australia.

#### 4.0 Third Party Legal Notices

The Software includes software licensed under terms that require QSR to display the following notices:

-----  
Anonymous (9-point bitmaps) is copyrighted freeware, © 1991–1998 by Susan G. Lesch and David B. Lamkins, all rights reserved worldwide. Anonymous (TrueType and 8-, 10-, & 11-point bitmaps) is copyrighted freeware, © 2001 by Mark Simonson, all rights reserved worldwide. Anonymous can be freely distributed as long as it is not modified and this documentation accompanies the font file. Anonymous may not be sold or offered for sale, or included with another software product offered for sale, except with our express written permission. Online services and bulletin boards may make it available to their users at no charge other than the normal connection fees. Non-profit user groups which hold regularly scheduled public meetings may distribute it at no charge. Print, CD-ROM, and text magazines may publish it on CD-ROM, floppy disk, binhexed or zipped where applicable, without our prior consent, as long as we each receive a copy of the issue containing our font within two months of release of the magazine. CD-ROM or floppy disk shareware/freeware/public domain collections may include it without our prior consent, as long as we each receive a copy of the CD-ROM or floppy collection within two months of release of the collection.

- Disclaimer: Anonymous carries no warranty, express or implied. We are not responsible for damage caused by use of Anonymous.
